- B2 - I could feel the anesthetic flow through my vain (Original Mix) - 8:38

(Spanish bellow)

After searching and presenting to her many candidates, **Dilek** has chosen her "**partenaire**". Many appointments and (pitiful) candidates have passed, until when she finally saw this boy, it was an attraction on the first sight. After two glasses, they were already in the bed, rolling in a bad hotel, screwing around to give free rein to the wildest sex that they could probably have. This man who was newly seen and appeared in front of the paparazzi, when chasing him, they shot a few photos when they went out and purchased together with **Dilek** in a Jack & Jones store in Switzerland. They say that he's South American, but nobody knows very much of him.

What we do know is that in his first release, we will find Kim and Oliver aka "**2 Working Donkeys**", two beasts of the Danish scene, part of the **Opossum** and **Tic Tac Toe** family, close to a great and high quality remix of **Larsson** who has a background in labels like **M\_NUS** and **Get Physical** but you can also find him in other bombs like **Trapez**, **Bpitch Control** and **Traum Schallplatten**.

With a sound and a quality like this one, we assure you that "**I could feel the anesthetic flow through my vain EP**" is going to leave you with many desires of more. Deep minimal Techno with some touches of house, eroticism and experimentation in a high musical - sexual degree. An ideal music to dance in a club or to have sex in the private rooms.

And be prepared girls and groupies of **Darek**, cause the 002 of this boy with a fire extinguisher between his legs, has also under his sleeve some names and artists like Someone Else, Sarah Goldfarb, Shadi Megallaa and Mike Wall.

---

(English above)

Luego de buscar y presentarle candidatos, **Dilek** ha elegido a su "**partenaire**". Muchas citas y candidatos (lamentables) han pasado por ella, hasta que finalmente cuando ella vio a este chico, fue atracción a primera vista. Luego de dos copas, ya estaban en la cama revolcándose en un hotel de mala muerte y enroscándose en sus carnes para dar rienda suelta al sexo mas desenfrenado que quizás se pueda tener. Este hombre del que recién se lo ve aparecer y los paparazzi a penas pueden disparar unas fotos cuando salen de compras junto a **Dilek** en Jack & Jones de Suiza, parece tener algo entre manos. Se dice que es sudamericano. Pero no se sabe mucho de el.

Lo que si sabemos es que en su primer release, encontramos a Kim y Oliver aka "**2 Working Donkeys**", dos bestias de la música danesa, familiares directos de **Opossum** y **Tic Tac Toe** junto a una remezcla bestial! de **Larsson** quien tiene un background (pocas veces visto) en sellos como los mainstream **M\_NUS** y **Geth Physical** pero que se lo puede encontrar también en otras bombas como **Trapez**, **Bpitch Control** y **Traum Schallplatten**.

Con un sonido y una calidad que te va a erizar la piel, te aseguramos que este disco te va a dejar con muchas ganas de mas. Deep minimal Techno con toques de house, erotismo y experimentación en el mas alto grado musical-sexual. Un disco ideal para bailar en un club o para tener sexo en los reservados.

Y preparense chicas (grupies) de **Darek**, que el 002 de este chico con un matafuegos entre las piernas, trae bajo la manga a nombres como Someone Else, Sarah Goldfarb, Shadi Megallaa y Mike Wall.
