Until this 8th edition, **Darek** was only digital and now it's back with a new formula and the surprising idea to release **vinyl** with a new concept, especially for you **vinyl lovers** around the world, who still **support** and love this industry.

This **new beginning** will start with an EP from **Letkolben** coming straight from **Russia**, and 3 very cool remixes from **Mike Wall, Steven Beyer and Franco Bianco**! Letkolben offers **3 original** amazing tracks, full of **energy** with **foreign influences** and many great **breaks** to keep you in **good tension**. Steven Beyer and Mike Wall delivered **two variations** available on **vinyl** and Franco Bianco will be released as a **digital exclusive** together with another "**surprise track**" by Letkolben.

Darek is home to quite a few **talented** and **well known** artists such as **Someone Else, Nooncat, SCSI-9, Tom Clark** as well as many others, and this new challenge will also surprise you with a lot of other **great talents** during the next months. We're working hard to give you many **quality tunes** and a sound that **comes out of the ordinary**.

Track by track:

"**A1. LetKolben - In bianco e nero arcobaleno (Original Mix)**": It's an effective track with many foreign and captivating rhythms, very predominant in this EP as well as an atmosphere that transports you far away. It's adapted for the middle of a set, and can be used as a very cool club track with some minimal beats, and funky breaks.

"**A2. LetKolben - Lay your hands on me again or history of the old accordion (Original Mix)**": This track builds up gently, by adding some fusing Bohemian and Tech House sounds with refined harmonies. It's a delicate mixture of minimal grooves, with an astonishing accordion without forgetting the spooky beats and breaks, always very present in this release.

"**B1. LetKolben - In bianco e nero arcobaleno (Mike Wall Remix)**": This version is definitely pumping and more Techno orientated with some strong rhythms and bass lines. This interpretation is the perfect occasion to let your senses go and enjoy the music. This one is perfect to crash everything!

"**B2. LetKolben - In bianco e nero arcobaleno (Steven Beyer Remix)**": You will find here a very solid track with the perfect dose of Tech House and minimal beats mixed into this sound structure that will certainly get your attention. It starts in an intriguing way, letting you discover this festive version with some banging percussions. It's definitely another very effective bomb for the dancefloor.

"**Digi1. LetKolben - In bianco e nero arcobaleno (Franco Bianco Remix)**": Franco offers something surprisingly different to balance this EP in a perfect way, by offering a sophisticated groovy version with some funky Caribbean influences and a whole bunch of delicate breaks. This one is a perfect track for the warm up of a demanding crowd.

"**Digi2. LetKolben - Hallo, mein liebes fräulein (Original Mix)**": This track is more lineal and has some old school influences. You will notice these effective and well produced deep, minimal arrangements. It can be also used as a strong groove tool.
